PASSION & PURPOSE

2016 SCHOOLS TOUR

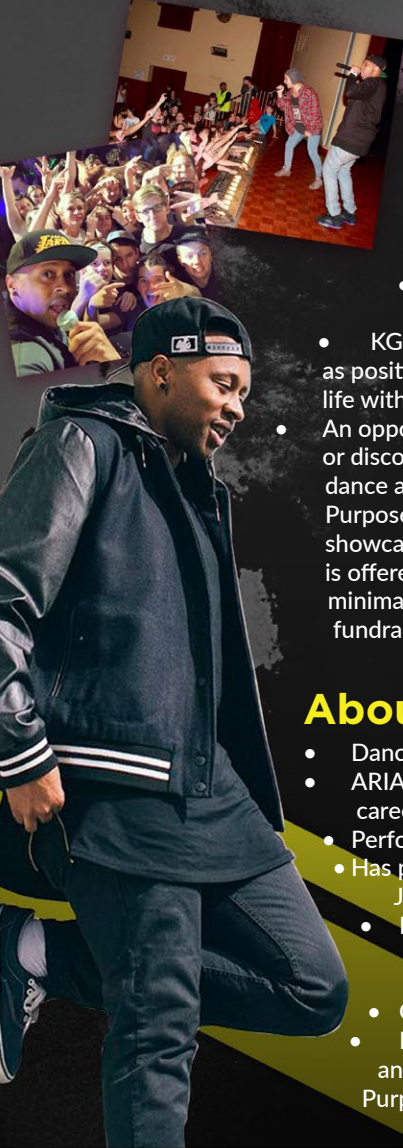

KG is one of Australia's most experienced and knowledgeable dance teachers with over 15 years of experience, teaching school aged student's hip hop and funk dance styles.

With his unique teaching ability, KG's dance classes are interactive and have a strong meaning to motivate and inspire class students to live by the message of 'Passion & Purpose'.

In addition to the dance teaching, KG is also a musician and has performed over 500 live shows nationwide, including appearances on Sunrise and MTV.

KG wants to use his music to spread positive messages and to help the youth through difficult situations. He believes each individual possesses gifts and talents and explains how recognising and utilising these gifts and talents can truly have a positive impact on each and every life. KG is preparing to release an album titled 'Passion and Purpose' where he hopes to change the negative stereotypes associated with hip hop music by instead changing lives and encouraging all his students to live life with Passion and Purpose.
